Sponsor Dossier

JSConf España

International in-person & streaming JavaScript conference

Sponsor JSConf España 2025

JSConf España 2025 will be the 1st edition of a conference created to bring together the vibrant community of JavaScript developers in Spain 🇪🇸.

It's a space where professionals can learn from experts, share knowledge, and connect with other web technology enthusiasts.

As a sponsor, your brand will be showcased to a specialized audience committed to the future of web development.
